

Outlook 2010: Server Rejected your Login

(Mail Hosting: NTT Communications (Thailand) Co., Ltd.)

Your e-mail server rejected your login.

Verify your username and password for this account in Account Settings outlook-rejected-login

Close the window > edit your username and password in Account Settings.

To get to your account settings, click on file in the upper left hand corner. Then click Account Settings.

Your **username** should be your **full email address**, in all lowercase. This should be the same credentials for both incoming and outgoing mail servers.

If you have any questions or concern ...

Please take note of any error messages and contact support-mail team as soon as possible.
